

### **Shorter Always Greets Everyone With A Smile**

**TUPELO, Miss.** — One of the first person to greet everyone at Pierce Street each day is Sabrina Shorter. And she makes sure to do so with a smile.

A native of Houlika, she's been at the school for three years, the last two as the Office Manager after working in data entry.

"She is such a happy and pleasant person to be around," assistant principal Marrion Winders said. "She's the first person to greet parents and visitors every day and the joyous voice on the other end of the line when they call Pierce St. She goes above and beyond to help people get the answers they need, and she does it all with a smile on her face."

Prior to joining the team at Pierce Street, she spent 13 years as a medical laboratory technologist. She is also serving as an adjunct phlebotomy instructor at ICC.

This week's TPSD Staff Spotlight, sponsored by Sunny 93.3 and Buffalo Wild Wings, is Sabrina Shorter of Pierce Street Elementary.
