RE: Funding for Special Education, 2021-2022

DATE: June 7, 2021

As Directors of Special Education Services for Tupelo Public School District, it is my duty to develop a budget to detail the use of IDEA Part B and Preschool funds. These funds are designed to provide special education and related services to students with disabilities over and above the cost of educational services provided by the school district. Because you are a parent/guardian of a student with a disability, your unique perspective is important to the development of the budget for the 2021-2022 school year. We invite you to contact us at (662) 841-8855 or glmcalpin@tupeloschools.com or kclogan@tupeloschools.com to provide input in this process.

Comments and suggestions will be received until June 21, 2021. We look forward to hearing from you and sincerely appreciate any feedback, suggestions and comments you provide.

Sincerely,

Ms. Genna McAlpin

Ms. Karen Logan
