

### **McAllister Considers TMS His Second Home**

**TUPELO, Miss.** — Shay McAllister considers Tupelo Middle School his second home.

As the building manager of this historic, 60-year-old campus, he spends as much time there as he does his own house. And it's a job he wouldn't trade, because he loves making sure all buildings are functioning at their best for the students and staff, who he has called family for the past 20 years.

"He wears many hats and epitomizes the one heartbeat mindset," Principal Mark Enis said.

This week's TPSD Staff Spotlight, sponsored by Sunny 93.3 and Buffalo Wild Wings, is Shay McAllister of Tupelo Middle School.
