RE: Funding for Special Education, 2020-2021

DATE: June 16, 2020

As Director of Special Education Services for the Tupelo Public School District, it is my duty to develop a budget to detail the use of IDEA Part B and preschool funds. These funds are designed to provide special education and related services to students with disabilities over and above the cost of educational services provided by the school district. If you are a parent/guardian of a student with a disability, your unique perspective is important to the development of the budget for the 2020-2021 school year. We invite you to contact us at 662-841-8855 or by email at glmcalpin@tupeloschools.com or kclogan@tupeloschools.com to provide input.

Comments and suggestions will be received until June 24, 2020. I look forward to hearing from you and sincerely appreciate any feedback, suggestions and comments you provide.

Sincerely,

Ms. Genna McAlpin

Ms. Karen Logan
