COACHING STAFF

HEAD COACH TY HARDIN

Ty Hardin, enters his third season at the helm of the Golden Wave. He was announced as Tupelo High School's 27th head football coach in school history on May 5th, 2020.

Hardin previously held the head coach position from 2016-2019 for the (3A, now 4A) Houston Hilltoppers, the school he graduated from. There Hardin amassed a 37-14 record over four seasons and helped Houston claim their second division championship in program history in 2018. While at Houston, Coach Hardin won 73% of their district games.

Coach Hardin was hired in the middle of the COVID-19 pandemic and despite those challenges, led the Golden Wave to a 6-5 record and a playoff berth in his first season. Unfortunately, the Golden Wave were forced to forfeit their first round game against Warren Central due to COVID-19.

His second season began with the Golden Wave firing out to a 5-0 start before finishing the season 7-4 without clinching a playoff bid. 2 of Tupelo's four losses came by 7 points or fewer.

Coach Hardin refers to Class 6 Division 2 as the "SEC West" of high school football. The talent, teams, and coaching in this division make the margin between winning and losing as thin as anywhere in the country.
