Early Arrival

Classes will begin at 8:00 a.m. For the safety of our students, certain unloading procedures must be followed. Any student arriving to campus between 7:00 a.m. and 7:25 am must be dropped off in the front of the school using the main entrance on Gloster Street. This will be the only entrance open between 7:00 am and 7:25 am.

Normal Arrival

Students in the annex building on Jefferson Street may be dropped off on the right side of Jefferson Street going west between the times of **7:30 am until 7:50 am**. Students in the main building may be dropped off on Robbins Street going south. Please do not drop students off in the teacher parking lot.

AFTERNOON LOADNG

In order to have a safe and orderly dismissal, we stagger our dismissal times to accommodate the large number of walkers and bus riders that we have on campus. This allows for us to be sure that we can have a smooth transition from one set of dismissal procedures to the next. We begin at 3:15 pm dismissing bus students and walkers and follow up with a 3:20 pm dismissal of car riders/daycare.

Car riders will be picked up on Robins and Jefferson Streets for afternoon dismissal beginning at 3:20 pm each day. After 3:35 pm, students will be brought to the cafeteria and parents can pick students up in the front of the school in the bus rider and daycare lane on Gloster Street. This will allow for administrative supervision to be in a centralized location until all students are picked up by parents. There will be someone standing in front of the school with a communication device to let students know when their rides have arrived. A member of the Milam dismissal team will then direct the students to their cars.

Note: An Administrator will be on campus until all students are picked up.

Comcast/Church Parking Lot

Students that are picked up in the parking lot across the street on Gloster will be led across after the buses are dismissed at approximately 3:15 pm. Students are not to cross without the crossing guard. We appreciate your cooperation in following these guidelines. The safety of our children is our number one priority.

BUS AND VEHICLE TRANSPORTATION PROCEDURES

From the moment a pupil boards the bus, the student is under the supervision of the driver. The TPSD requires all students to be on their best behavior at all times. Buses will unload at 7:30 am at Milam. No eating or drinking is permitted on school buses. Students are only permitted to get off the bus at their designated stops.

The Tupelo Public School District is committed to providing a safe and orderly environment during the transportation services for eligible students. District school buses are considered extensions of the school environment and all provisions of the Student Code of Conduct apply to students while on school buses. Any student whose conduct on a school bus is improper or jeopardizes the safety of other students may be subject to discipline pursuant to the Student Code of Conduct and may have his/her transportation services suspended.

PROMOTION, RETENTION, AND ACCELERATION OF STUDENTS

The promotion, retention, and acceleration policy of the Tupelo Public School District serves as the primary basis for the design and implementation of a grading, marking, and reporting system for communicating academic performance and progress to the students and parents. Through this, the Board of Trustees establishes expectations for the student and staff performance, which meet the district's mission of serving the community by challenging each student to realize his or her potential through access to quality education that requires accountability for all students and employees.

Promotion, retention, and acceleration decisions of students in grades K-12 will be based on the student's academic achievement and progress on the curriculum adopted by the district for the various courses that make up the content requirements of each specified grade level. Placement decision will be based on the grades earned and reported to parents using the grading marking and reporting system of the district. The retention of a student or repetition of a grade in K-12 for the sole purpose of participating in extra-curricular activities is prohibited.

GRADING AND EVALUATION OF STUDENTS

The following general policy statements are provided for teachers, administrators, and other staff members charged with the responsibility of implanting a grading, marking and reporting system for the promotion and retention of students. Further, the general policy statements are listed for students, parents, guardians, and other community members as a mean of communicating expectations of performance of both students and staff members of the Tupelo Public School District. Grading systems in the District shall be uniform among schools having the same grade level organization.

Part I: General Policy Statements

1. Because grades are intended as a basic method of communicating academic performance of students to parents and guardians, grades will be provided to all TPSD students, parents and guardians.
2. To provide for consistency in communicating academic performance to students, parents, and guardians, a common grading, marking and reporting system will be used in all schools having the same grade level organization. The grading, marking and reporting system is based on a scale of 1 to 100. The grading and marking reporting system for special needs students will utilize the same system or a system specified by the student's individualized education plan (IEP).
3. A common TPSD "report card" for schools with the same level organization will be utilized for communicating academic performance to students, parents and guardians. Report cards will be provided to students and parents on the date established by the TPSD calendar.

4. A common TPSD mid-grading period reporting form, commonly referred to as a “Progress Report” will be used for communicating academic progress to students, parents, and guardians at the midpoint of each grading period. The “Progress Report” will be consistent for schools with the same grade organization. Progress Reports will be provided to students and parents on the date established by the TPSD calendar.
5. Portfolio assessment, parent conference, and other alternative forms of grading, marking, and reporting can be used as additional methods for communication academic performance to students, parents, and guardians. When used as additional methods for communicating academic progress, or as the primary method for kindergarten and first grade students whose parent(s) elect not to receive grades, portfolio content, conference, and alternative assessment must follow a consistent plan approved by the principal and superintendent and may be used to supplement, but not replace the district’s grading, marking and reporting system.
6. Individual progress reports will be provided to parents at the midpoint of each grading period. Parents will be asked to sign and return the progress report to the school. The teacher will maintain a duplicate of the progress report on file. Conference may be requested by the parents or teacher to discuss the progress report.
7. On dates established by the Tupelo Public School District, each student and parent will be provided a report card. Grades for appropriate nine weeks will be recorded on the report card in accordance with the district calendar. Semester and yearly grade averages will also be recorded on the report card.
8. All grades shall be reflective of progress toward or degree of accomplishment relative to the stated goals and objectives of a subject and shall represent only quality of assignments completed or not completed. Such grades shall indicate academic achievement only and shall not reflect citizenship, behavior or any other related nonacademic area.

Part II: District Numerical and Letter Grading System

To provide consistency in communicating academic performance to students, parents, and guardians, this policy establishes the following grading system. Schools offering the same grade organization will utilize the applicable numerical grading system for completing report cards. The appropriate level(s) of the grading/marking/ reporting scales as stated in this policy will be published in all students’ handbooks, teacher handbooks and all applicable report cards and mid-grading reports.

Grading

The numerical and letter grading system for grades K-12 is established and listed for consistent use by teachers and administrators in all courses.

A= 90-100 B= 80-89 C= 70-79 D= 65-69 F= 64 or below

STUDENT DISCIPLINE: ELEMENTARY GRADE 6

School is a place that provides rewarding experiences for a large group of students working together from day to day. In order for all to benefit, enjoy, and learn from these experiences in a safe environment; discipline and order must be maintained. The primary responsibility for the conduct of a student rests with the student, the parents, and the school. Parents should discuss with their children the importance of, and need for, good behavior and a good attitude while in school. Our goal is to promote an atmosphere within the school that is conducive to learning while protecting the rights of students. No student's behavior will be allowed to interfere with the learning opportunities of others. We work to preserve the dignity of the individual while at the same time not allowing them to manipulate the system. Students, parents, teachers and administrators must be consistent in their decisions and be supportive of each other. Parent involvement with the school is required for a positive school environment. It is the parent's responsibility to attend conferences, make arrangements for children upon suspension, and provide current emergency information.
