Asbestos Notification

In accordance with the Asbestos Hazard Emergency Response Act (AHERA) regulations established by the EPA, all school districts are required to provide an annual notification to all parents, teachers, and employees regarding our asbestos management program. This annual notification informs all persons of their option to review the Asbestos Management Plan for our school district.

To provide continuing management of the asbestos in our schools, all Asbestos-Containing Materials (ACM) are inspected every six months by an accredited asbestos inspector. Any changes to these materials are recorded in a surveillance report as part of the management plan.

Additionally, an accredited Asbestos Management Planner conducts a comprehensive inspection of all ACM's every 3 years. This 3-year re-inspection has been performed as required and a copy has been filed with the Mississippi Department of Education.

A copy of the Asbestos Management Plan is located in the principal's office at each school. In addition, copies of all Asbestos Management Plans for the district are maintained in the Superintendent's office located at 72 South Green Street. If you are interested in reviewing this information, please contact the Central Office at 662-841-8853 to schedule an appointment.

Family Education Rights and Privacy Act

The Tupelo Public School District routinely makes public certain directory information regarding students. This directory information includes the student name, address, telephone number, class assignments and teachers, picture, height and weight of athletes, extracurricular activities, awards, honor rolls, electronic listings, Internet webpage, and other information which is typically found in school yearbooks, programs, bulletins, and student newspapers. In addition, the District discloses names, addresses, and telephone numbers to military recruiters upon request. Parents and eligible students shall have from **July 15 until September 1** to review this notice and request in writing to the school principal that all or any part of the directory information not be disclosed without prior written consent.

Parents-Right-To-Know

The qualifications of teachers and paraprofessionals employed in schools will be provided upon parent request. For further information, please contact the principal of the school where your student attends.

In addition, a parent may request information on the level of achievement of the parent's child on each state academic assessment, and/or a timely notice that the parent's child has been assigned or has been taught for four or more consecutive weeks by a teacher who is not highly qualified.

Promoting and Reinforcing Personal Responsibility for Learning, Positive Behavior, and Good Citizenship

In the Tupelo Public School District, students are expected to exhibit responsible behavior and to maintain positive attitudes that will contribute to their own well-being as well as the well-being of others. One goal is to promote an atmosphere within the schools conducive to learning, and another is to help children become responsible for good personal conduct at school.

Each school has a certified guidance counselor who provides one-on-one and group counseling. As part of the curriculum, the guidance counselor also conducts classes and workshops for the students in their classroom. Topics include goal setting, time management, responsibility training, and citizenship.

Integrity Time and Skills Streaming are unique programs designed to help decrease discipline referrals and increase positive and appropriate behaviors. The programs build self-esteem and provide students with many opportunities to be responsible. Students also become aware of socially acceptable behaviors and positive character traits. When we provide direction and security, students often respond quickly with better behavior and improved academic performance. We want our students to have lives filled with satisfying work, meaningful achievements, and good relationships. We want them to make good decisions, and we want them to be active participants in their democracy.

Character must be consciously taught, developed, and practiced. This teaching has always been a parent's job, but there are also critical supporting roles to be played by everyone in a community. After all, character really counts in school, in the workplace, and in life. Acknowledging student demonstrations of good character is important. We expect the student to do the right thing even when there's no one around and there will be no immediate reward. Therefore *recognition* is emphasized more than *reward* when it comes to reinforcing positive character traits for long-lasting effects. Examples of recognition strategies abound. Staff and students alike send notes to anyone living out a character trait; assemblies, parties, and picnics are great opportunities for school communities to celebrate progress and publicly acknowledge TPSD's commitment to character education.

Drug abuse prevention instruction is incorporated into the regular classroom through the use of a curriculum that is taught by the teachers. In addition, Red Ribbon week is celebrated at each school annually. During this week, special activities are planned that emphasize drug and alcohol prevention. These might include special assemblies, games, special guests, videos, and wearing red ribbons by staff and students. Many schools sponsor a Red Ribbon parade and an I Can Do Better Things Than Drugs Fair.

Throughout the school year, activities district-wide, school-wide, and in the classrooms teach and reinforce the importance of respect and treatment of others. Students are taught the importance of treating others with kindness and respect.

The Tupelo Public School District and Tupelo Police Department school resource officers (SRO) work with students K-12 to develop positive habits and behaviors. This enables our students to deal with character issues directly and at an age that is developmentally appropriate. Our students work with a good role model in a positive environment.

Through many learning opportunities, TPSD emphasizes teaching and recognizing positive behaviors and good citizenship.
