sneak peek into
kindergarten before
school starts!**

If you need assistance identifying your child's school zone, please email pltraylor@tupeloschools.com and clwatkins@tupeloschools.com. You can also call 662-841-8955.

Dates Set For Splash Into Kindergarten

TUPELO, Miss. — Children in the Tupelo Public School District entering kindergarten can get a head start by attending Splash Into Kindergarten, a two-day event designed to teach kids what to expect for the upcoming school year.

Slated for July 22-23 from 9 a.m.-2 p.m., this free program will take place at the four kindergarten locations — Carver, Joyner, Parkway and Thomas Street.

Children participating in this annual set-up will be assigned to the school they will be attending in the fall. If parents are unsure of the school location, they can call Student Services at 662-841-8955.

Registration is now underway. To sign up, go online at http://bit.ly/308vZBz_Splash, fill out the form and drop off at the school the child will be attending.

“This gives our incoming kindergarten students and their families an opportunity to acclimate with our campus, our staff, and our procedures in a small setting prior to our initial school start,” Joyner principal Kim Foster said. “This is one of our favorite experiences of the summer as it kicks off our back-to-school events welcoming new students and reconnecting with our current ones.”
