Congressional
District 1 Winner

Barnett Named Congressional District 1 Administrator Of The Year

TUPELO, Miss. — Accolades continue to mount for Amy Barnett, who was named the Mississippi Congressional District 1 Administrator of the Year Friday afternoon.

Barnett, in her second year as principal at Pierce Street, was named the Tupelo Public School District Administrator of the Year back in January after her school received an A-ranking by the Mississippi Department of Education in the Fall.

A TPSD employee since 1997, recognition has been a mainstay for Barnett. She's a three-time Teacher of Distinction nominee and in 2000 was an Assistant Teacher of Distinction winner. She earned her elementary education and master's degrees from Ole Miss and is currently working on her doctorate degree.

She is now eligible to win the MDE Administrator of the Year honors, to be announced later this spring.
