

3rd Nine Weeks

Unit 6: Earth and Sky

Standards for Math:

Skills to be Mastered:

1. I can experiment with adding and subtracting by using developmentally appropriate pre-kindergarten materials. (PK.OA.1) OWL
2. I can model real-world addition and subtraction problems using developmentally appropriate pre-kindergarten materials. (PK.OA.2) OWL
3. I can use comparative language (equal to, same) to compare objects, using developmentally appropriate pre-kindergarten materials. (PK.CC.5) OWL
4. I can recognize and correctly name shapes in the environment, regardless of their orientation or overall size. (PK.G.2)
5. I can explore the differences between two-dimensional and three-dimensional shapes. (PK.G.3)

1. Make 6 and 7 and find the missing parts of 6 and 7
2. Make 8 and 9 and find the missing parts of 8 and 9
3. Make 10 and find the missing parts of 10
4. Share items equally
5. Identify shapes and recognize in the environment

REVIEW - Ordinal -first, second, last; Identify without counting the number of objects
